LOCAL SERVICE. NATIONAL RESOURCES.

PrideStaff provides the strength and resources of a national corporation, with the personal touch, dedication and response time of a locally owned business.

WE UNDERSTAND YOUR CHALLENGES.

We understand the challenges production, manufacturing and distribution facilities face. We're experts at helping you run a lean and efficient operation. We can develop a cost-effective strategy for getting the staff you need.

WE ARE INVOLVED IN THE COMMUNITY.

We work here. We live here. And we are committed to the people and organizations we serve.

ON TIME. ON BUDGET. ON DEMAND.

At PrideStaff, our Production, Manufacturing & Distribution division is designed to help facilities run smoother. From on-demand labor to highly skilled tradesmen, we offer complete workforce solutions – providing the people you need, when you need them.

As a strategic workforce partner, we can help you limit overhead expenses, increase your flexibility, drive productivity and limit burnout.

PRODUCTION, MANUFACTURING & DISTRIBUTION WORKFORCE SOLUTIONS

CHALLENGE

Managing workflow

SOLUTION

Let PrideStaff supplement your core staff with experienced temporary employees. We help you reduce payroll expenses and allow you to react to peaks and valleys in demand.

CHALLENGE

Limiting turnover

SOLUTION

PrideStaff offers you access to hundreds of on-demand workers for high-turnover positions. Instead of constantly hiring, we can provide you with temporary staff when needed.

CHALLENGE

Increasing productivity

SOLUTION

When demand reaches high levels, let PrideStaff provide qualified support to ensure your facility runs at peak productivity.

CHALLENGE

Limiting overtime

SOLUTION

PrideStaff's experienced temporary labor offers on-demand support. We help you eliminate overtime expenses, improve morale and drive performance.
